

BOLD CRITIQUE

B2B Panel Book

BoldCritique is a global B2B panel company, which provides data collection services to global consultants and market research agencies. BoldCritique maintains high quality panel services and provides access to well profiled target groups- such as – C-Levels, IT-Professionals, Marketers, Advertisers, all kinds of Decision makers in an organisation across USA, Canada, Europe, Asia and GCC countries. Our panel responses are sync with the current market trends to help our clients to take correct decisions.

SAMPLE RECRUITMENT AND PANEL QUALITY:

BoldCritique follow standard operating procedures while recruiting B2B respondents and maintain our panel quality through numerous methods to provide best survey quality data possible.

Few of the methods included are

- Profile Validation through various sources,
- Email authentication,
- IP Monitoring & implementing GeolP check,
- Behavioural Monitoring by identifying speedsters and reviewing them for further quality check.

BoldCritique gives you access to more than 120,000+ pre-screened highly qualified B2B Panel globally and can reach some Niche target groups, such as – C-Levels, IT-Pros, Developers, Marketers and many more/ across all industries.

We can help you to conduct Quantitative researches with some highly experienced professionals to understand their experience, attitude, opinions across different industries.
